

**CASE DIGEST:** *AFGE, Loc. 2338*, 73 FLRA 756 (2023).

After the parties informally resolved several issues related to a grievance, and the Agency provided most of the grievance's requested remedies, the Union submitted the grievance's remaining, unresolved requests for compensation to arbitration. The Arbitrator denied the requests for additional compensation. The Union filed exceptions on ambiguous-and-contradictory, contrary-to-law, exceeded-authority, and essence grounds. The Authority denied the exceptions because they failed to demonstrate the award was deficient.
